How to Have the Best Cough Remedy and Save \$2 by Making It at Home

Cough medicines, as a rule contain a large quantity of plain syrup. A pint of granulated sugar with ½ pint of warm water, stirred for 2 minutes, gives you as good syrup as money can buy.

as good syrip as money can buy.

Then get from your druggist 2½ ounces
Pinex (50 cents worth), pour into a pint
bottle and fill the bottle with sugar
syrup. This gives you, at a cost of only
54 cents, a full pint of really better cough
syrup than you could buy ready made for
\$2.50—a clear saving of nearly \$2. Full
directions with Pinex. It keeps perfectly
and tastes good.

It takes hold of the usual cough or chest cold at once and conquers it in 24 hours. Splendid for whooping cough, bronchitis and winter coughs.

It's truly astonishing how quickly it loosens the dry, hearse or tight cough and heals and soothes the inflamed membranes in the case of a painful cough. It also stops the formation of phiegm in the throat and bronchial tubes, thus ending the persistent loose cough.

Pinex is a highly concentrated com-pound of genuine Norway pine extract, combined with guaiacol, and has been used for generations to heal inflamed membranes of the throat and chest.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex," and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprieters have so much faith in its curative powers that they offer One Hundred Dollars for any case that it falls to cure. Send for list of testimonials.
